SIR

Subject:- Appointment of a Special Revenue Officer - temporary

Adverting to para 6 of G O No L 5241-45/Ml 116-38-14 dated 23rd December 1938 and para 4 of G O No L 5295-97/Ml 195-37-6 dated 27th December 1938, observing inter-alia that the arrears - outstanding recovery in this Municipality were heavy and that -- strenuous efforts should be made to collect the same fully before the close of the current official year, I have the honour to state that both the Commissioner and Revenue Officer have been paying -- personal attention to this item of work, but that the desired progress will be not possible unless there is an additional officer of the Revenue status for some period to attend to the collection of arrears which have accumulated The routine work of the Revenue Officer is heavy and with the levy of the profession tax, leaves him little or no time for the extra work to be put in, for the collection of heavy arrears of the previous years

In these circumstances, the proposal for the appointment of a special Revenue Officer of the status of an Amildar with conveyance allowance of Rs 25/ per mensem was placed before the Municipal -- Council and they approved of it at their meeting held on 7th January subject to the condition that this temporary appointment should last for a period of five months only A copy of the resolution is herein

enclosed The extra cost on this account during the current year will be met out of the closing balance of the Municipal funds

I request that Government may be kindly moved to accord sanction to the appointment of a Special Revenue Officer for a period of five -- months from the 1st proximo

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner

Addl Subject No 22 -

Municipal Commissioner's proposal for the appointment of a Special Revenue Officer for attending to the collection of the heavy arrears, temporarily

The Commissioner explained to the House that the Government had found fault with the collection and had also said that it was due to want of proper supervision over the collection staff, that though he and the Revenue Officer were paying personal attention to this work, still it was humanly impossible for them to devote any special attentio to this work and hence, the proposal to appoint a Special Revenue -- Officer for collection work for a period of five months to collect all the arrears He also informed the House that he would arrange to get a very experienced officer who knew municipal work

Some of the members observed that even if an officer is appointe he could not show progress with the present staff which was not at all adequate and suggested that the collection staff should be increased, for which the Commissioner replied that he was placing a proposal befor the House in this behalf

Then the proposal of the Commissioner was approved by the House
